New parts for European vehicle

Sankei has been working on new parts for European vehicle as new challenge and this is the first announcement of those items at this time. Although your customers may not carry parts for European vehicle, it would be truly appreciated that you could advise us your feedback. We would like to continue to work on European item development, thus your advice and feedback would be very helpful for the challenge. Should there be any questions, please feel free to contact us.

Thank you for your continuous support.
